Dear customer

23 June 2016

We are happy to inform you that we released following product.

Basic specification maintains the compatibility in heritance function and design of CRTM-9100G. With this, we will stop supplying CRTM-9100G as soon as all stock runs out. However, maintenance and support will be available in the future.

Thank you for your business with ULVAC.

We appreciate your business and look forward to serving you in the future.
